Perspective new members must PLEDGE. Prospective members MUST attend at least (3) meetings, functions or events before pledging. After attending 3 meetings, functions or events the pledge must notify one of the clubs officers of their intent to pledge. Pledging will last for 30 days. During this 30 days, both the active members and the pledge will have the opportunity to interact with each other and find out if they are comfortable with the club or the pledge. During the pledge period it is in the best interest to the pledge to be at as many meetings, functions or events as possible. The pledge may be asked to do certain tasks, appropriate for their status as a pledge. Misfit pledge shirts may be required for certain events. The pledge will also accept responsibility for the clubs mascot "Taz". Always protecting his virtue, keeping him from harm and "evildoers" that would have their way with him. Pledges found not protecting the mascot may be subject to extension of the pledging period and further disciplinary actions.

After the 30-day pledging period the pledge will be voted on at the next general meeting. Voting will be done by a silent vote by the active members and must receive a 2/3 majority vote for membership. The President will inform the pledge *at that* meeting the results of the vote. A joining fee will then be assessed to all new members. The fee will be $25.00 and will be collected from the new member at the time he/she is voted in. This fee will cover the cost of their patch, pin and name badge. Monthly dues will then be assessed for $10.00 each month. Members will be allowed to pay their membership dues monthly, or annually at the annual election meeting at a discounted price of $100.00 per year, a savings of $20.00.

Perspective pledges should contact a Misfit member, and inform them of their interest in the club. The member will then inform them of our schedule of events, so they may attend their 3 meetings, functions or events.
